Community Description

The Highlands Reserve Golf and Country Club sits atop one of the highest areas of Florida and offers remarkable scenery which is built around a renowned 18 hole PGA Golf Course. Pine tree lined, spacious fairways and large, fast undulating greens make the course challenging and fun for all levels. Conveniently situated on US Highway 27 in peaceful surroundings this is a great location for accessing the Interstate 4 which is the main corridor through central Florida. Grocery shopping and restaurants are also located just next door at Berry Plaza. Although it is clearly the golf that attracts the majority of guests to Highlands Reserve it is important that the villas are not forgotten. All the villas are highly furnished, well maintained and fully equipped to ensure your stay is as comfortable as possible. Guests will also find a communal pool, tennis courts and a children's play area.
